MELCON

SECTION

1

Introduction

*Our goal is to provide our Clients with Responsive,
Technically accurate & Prompt Service at a great value*

MELCON is one of the pioneer units engaged in the manufacture and export of POWER & DISRIUBUTION TRANSFORMERS and other CUSTOMIZED TYPES of TRANSFORMERS .

MELCON

MELCON's strength is the experienced & diligent technical staff having illustrious background from the likes of ABB Ltd, etc. The technical team is backed by industrious workers & support staff.

Every employee of the organization is dedicated to achieve perfection in his job and that's the mantra of our success. All the transformers are tested for their quality to ensure that they match the stringent quality standards.

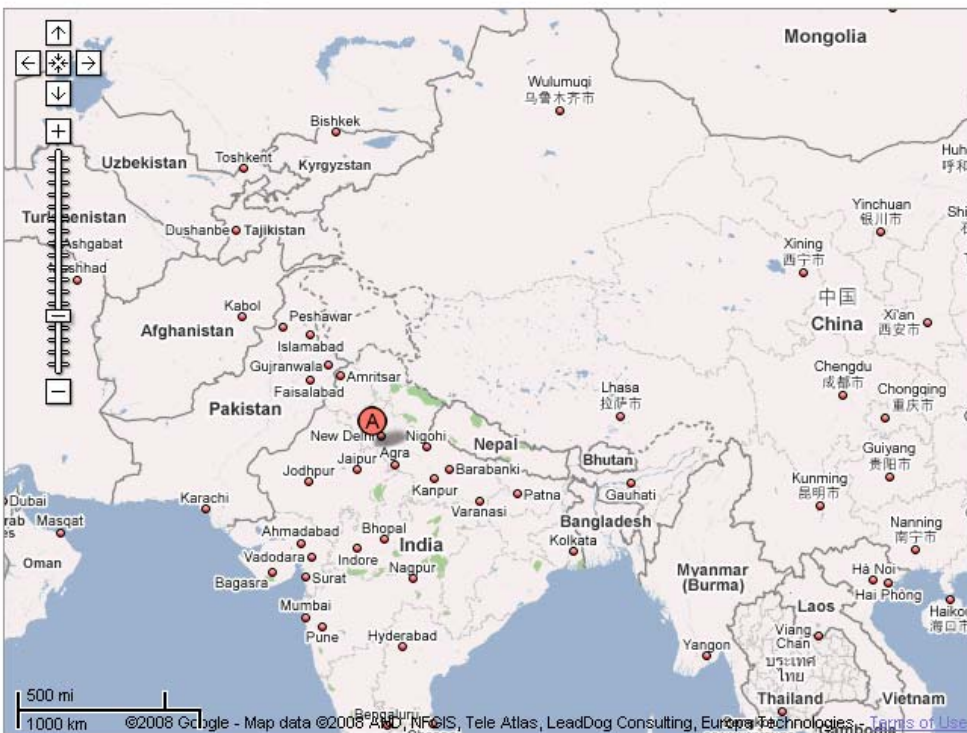

The Company

MELCON has evolved from its humble roots from the city of Alwar in Rajasthan, India into a world class company with a strong belief in excellence & commitment.

A. MELCON

F-90, Matsya Industrial Area, Desula, Alwar, Rajasthan 301010, India - 09352165020

MELCON

The company was started by a first generation entrepreneur, Er RK Jain, F.I.E-
– IEI, Kolkata, a B.E. Hons from Birla Institute of Technology & Science,
Pilani. Mr. Jain has worked in various industries with India's top corporates
including Telco, Pune, Hindalco and Kelvinator (Whirlpool). With his vast
experience and entrepreneurial skills, he is the driving force of the company.

Our group has manufacturing unit at ALWAR and sales offices at AGRA, NEW
DELHI, CHENNAI, KOLKATA & MUMBAI supplying to various electricity
boards and private organizations.

Every TRANSFORMER sold by us is backed by MELCON SERVICE NETWORK
nationwide. This service network is manned by highly skilled technical staff.

MELCON

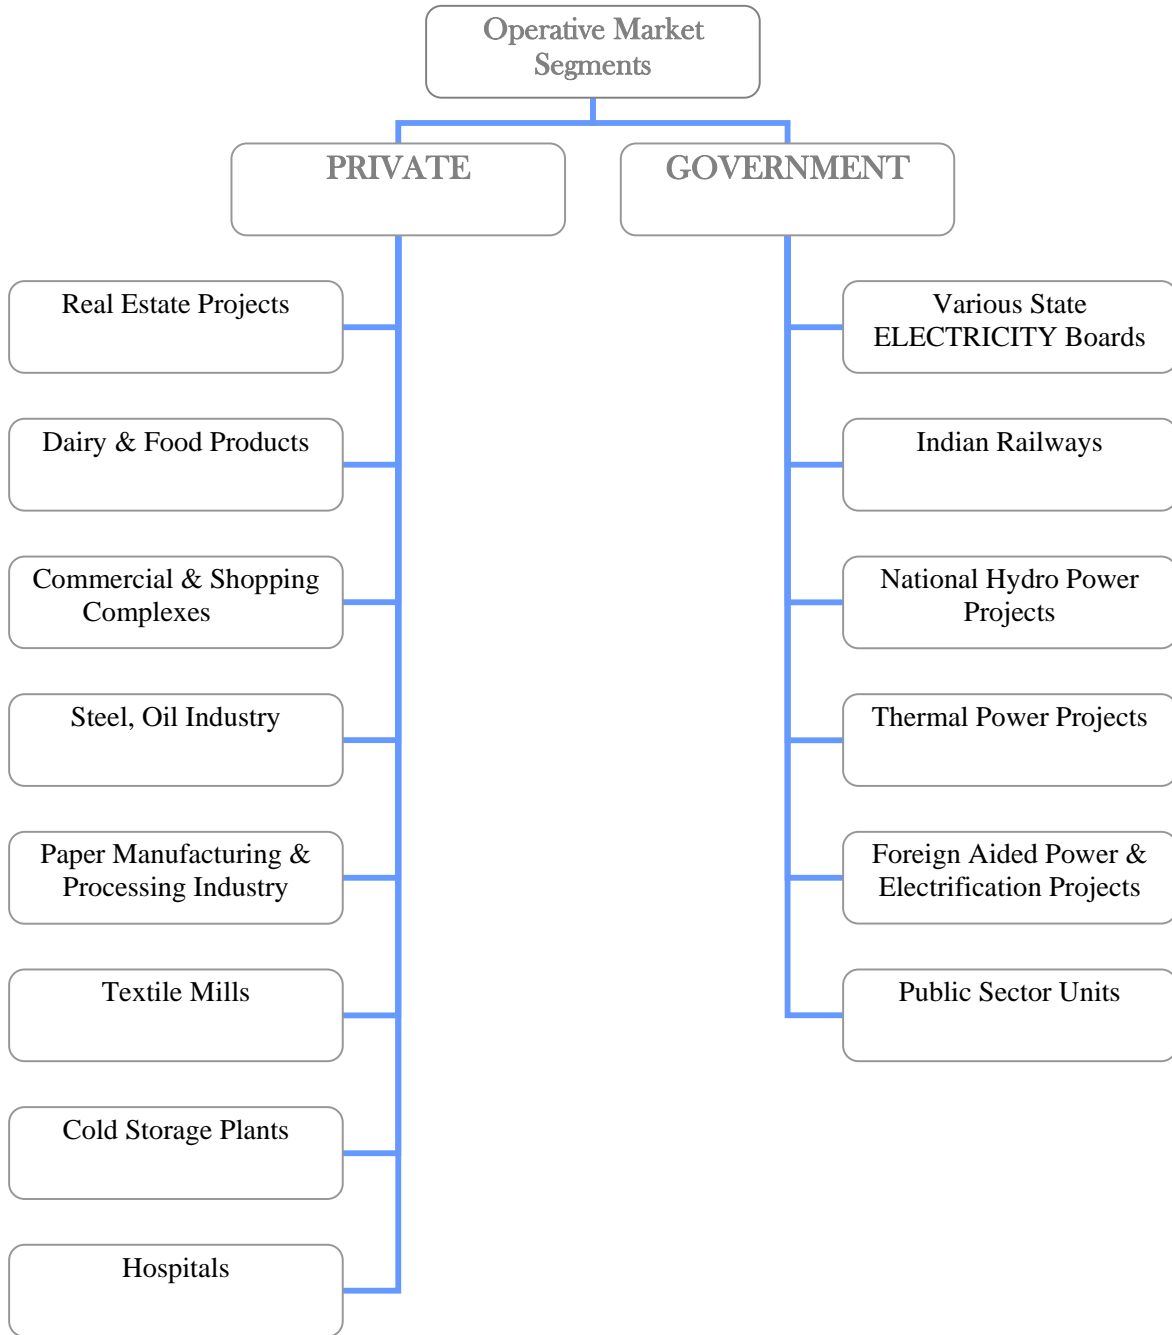

Products

- **Three Phase Distribution & Power Transformers** | Range: 5 KVA to 10000 KVA upto 33 KV Class
- **Servo Controlled Voltage stabilized Transformers** (1KVA-1000KVA)
- **Furnace Transformers** (Arc furnace/ Induction furnace) upto 4MVA
- **Dry type Transformers** upto 1500kVA
- **Isolation Transformers**
- **Electrical (APFC) Panels**
- **Hermetically Sealed Transformers**

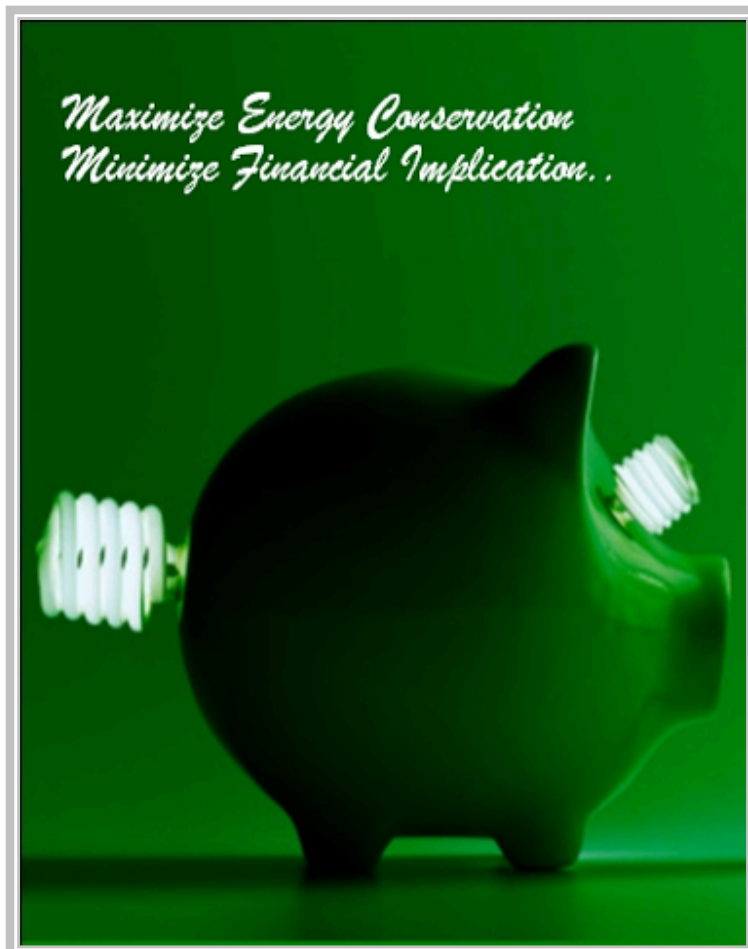

Services

- **Complete Repair & Overhauling** of Distribution & Power Transformers upto 10MVA, 33Kv Class
- **Complete Repair & Overhauling** of Auxiliary Transformers
- **Transformer Design & Implementation** Consultancy
- Raw material / transformer active parts sourcing & **Technology transfer** Services

*Maximize Energy Conservation
Minimize Financial Implication..*

MELCON

The Advantage

- *Durability of Design*
- *Optimum Energy Efficiency achieved in accordance with Global manufacturing & quality standards*
- *Competitive Pricing with least Payback Period*
- *Fully customized Products & Services*
- *Timely Delivery*
- *Prompt Service Backup 365x24x7 & availability of Spares*
